# Today's Foresight Professionals

## OUR MEMBERS GO BY MANY TITLES...

Professional futurists, change strategists, technological futurists, design futures professionals, foresight practitioners, chief ideation officers. We share methods: scenarios, complexity, emerging futures, environmental scanning, alternative futures, and visioning to name a few. Together we hone our skills and knowledge to help our clients navigate uncertain futures.

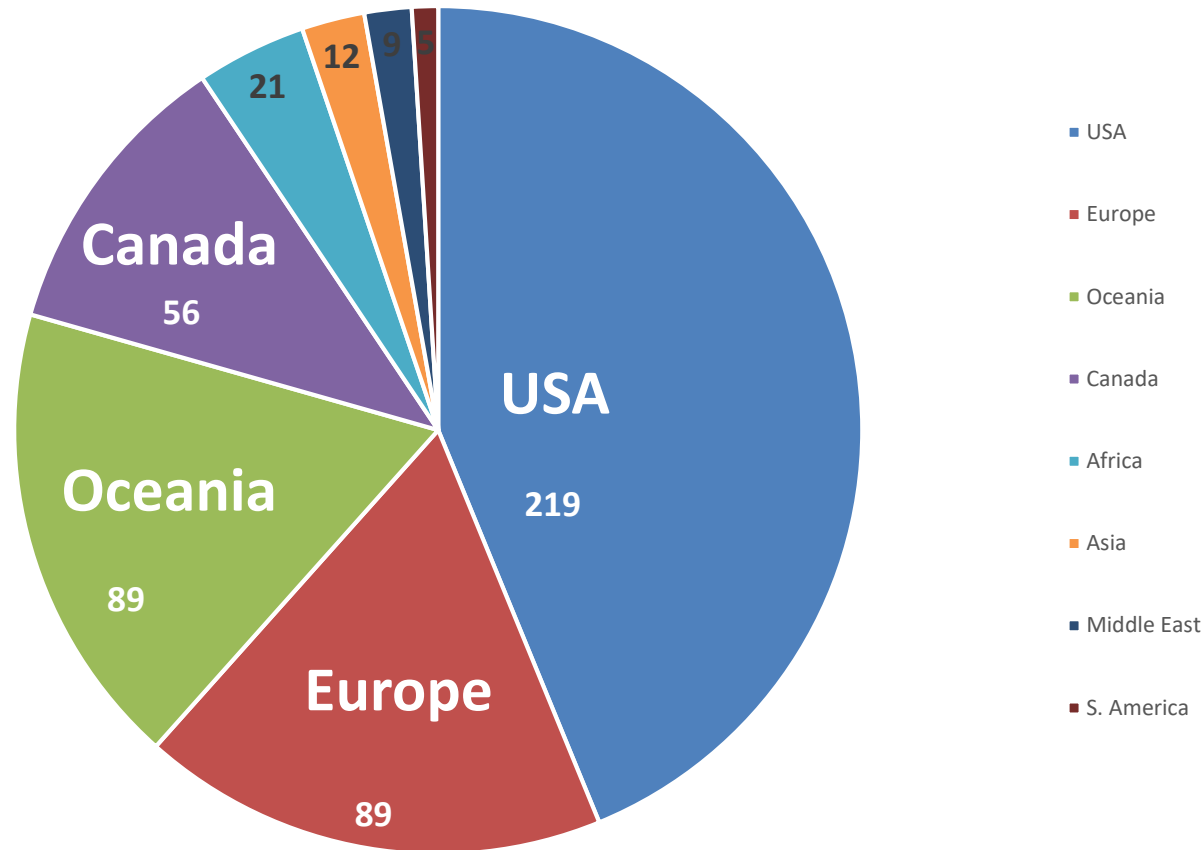

# APF Exists for Its Members

- To advance their professional excellence
- To facilitate their network and community
- To help them promote their unique value
